Country Club Members have the right to use the Clubhouse for Dining and Special Events, Outdoor Pool, Community Center Facilities, Golf Practice Facilities, and Tennis Practice Facilities (backboard & ball machine). Country Club Members may purchase additional Sports Amenity Packages for Golf, Tennis, and Croquet. Please contact the Membership Director at (843)838-8261 for a schedule of current fees.

Country Club members who resign their membership must wait 12 months to reapply for membership and pay the current initiation fee.

- A CC member who resigns and wishes to rejoin as a CC member without waiting the required 12 months may do so if they repay all back dues and amenity fees for the months in which they were non-members.

**Dining**– membership allows non-resident non-property owners access to the DIC dining venues, special dining events and bridge (card) functions by payment of an annual fee.

**Encore Tennis** - Available to non-Dataw Island property owners and offers unlimited play after 1:00 pm and anytime on Saturdays and Sundays. Encore

Tennis Members may make court reservations 1 week in advance and also are allowed use of the Club's dining facilities. This membership does not allow use of any other facilities.

Country Club members who resign their membership must wait 12 months before being eligible to select Encore and must pay the current initiation fee.

**Non-Member USTA Team Play** - Available to non-Dataw property owners on a annual fee basis during a USTA League season. Country Club members who resign their membership must wait 12 months before being eligible to select USTA tennis options and must pay the current initiation fee and/or USTA fee.

### 1.2.3 RENTER

DIC resident members must provide the Club Membership Director with written notification of a rental prior to the extension of any Club privileges to the renter. Lease or rental of a single-family dwelling is permitted for a period of 30 days or more, with a limit of two rental periods per year. Rental membership information may be obtained from the Club Membership Director. Individuals (non-DIC members) renting homes on Dataw Island for 30 days or more will only be permitted use of the Club facilities by completing an Application for Renter's membership and by paying the appropriate monthly user fees. The DIC resident member will continue to be responsible for regular monthly dues. Renters will not have access to Dining only memberships.

DIOA members who are not DIC members, but still own property on Dataw Island, cannot apply for a Renter's membership. Such DIOA members are not considered Individuals for the purposes of this section.

DIC resident members who do own developed property on Dataw Island and who are either renting a dwelling on the island that is not theirs or renting a dwelling in Beaufort County (SC) for 30 days or more will be required to pay monthly dues. Details and information may be obtained from the Club Membership Director.

#### 1.2.4 RESIDENT NON-MEMBER

**a.** Non-DIC Member residents or Non-DIC Member property owners shall not be permitted to use DIC sport amenities, including but not limited to the croquet lawns, golf courses and golf practice facilities, bocce courts, or tennis courts without prior approval by the DIC Board.

**b.** Non-DIC member residents or Non-DIC Member property owners shall not be permitted to use other DIC grounds or facilities, including but not limited to the Community Center, outdoor swimming pool or related facilities, Club House or related facilities, or the Carolina Room except under the following circumstances:

**(2)** The event is a jointly sponsored event of the DIOA and DIC, and non-member resident/property owner attendance has been approved in advance by the DIC Board. Examples of such events are official government meetings or an official hurricane preparedness meeting. If food and/or beverages are served at such event, the cost of the food and/or beverage for the non-member residents and property owners will be the responsibility of the DIOA;

**(3)** The event is sponsored by the Dataw Historic Foundation, or the Dataw Conservancy and non-member resident/property owner attendance has been approved in advance by the DIC Board. If food and/or beverages are served at such event, the cost of the food and/or beverage for the non-member residents and property owners will be the responsibility of the sponsoring organization.

**(5)** All other uses of DIC grounds or facilities or sports amenities by non-DIC resident members, non-DIC property owners and/or off-island Non-DIC members, regardless of attendance by DIC members, requires a payment of a fee in advance to the DIC by the event sponsor or organizer. Only the DIC Board can approve a waiver of this fee and such waiver will not be granted lightly.

Except as noted in this section and Section 1.2.3 above, non-DIC Member residents/property owners cannot be guests of a DIC member at DIC grounds, facilities or sport amenities.

Children 8 and older are expected to be in compliance with the dress code. Please be aware that the Club management staff has been directed by the Dataw Island Club Board to enforce the Dress Code policy, so your cooperation is expected. There are several options for enforcement, which are outlined in section 2.4 on page 10 of the DIC rules section. ## 3.3 HOURS OF OPERATION

The dining room and other eating facility location hours of operations may vary during seasonal changes or for other reasons. They are published in the DIC "Dateline", on the Web site, and are also available by calling the Club reservation desk at (843)838-8282.

## 3.4 RESERVATIONS POLICY

No reservations will be accepted at any time in the Pub, except for special events approved by the Board of Directors. Reservations for dinner in The Tide's Edge Grille are required. You may be seated without a reservation only if The Tide's Edge Grille can accommodate you.

Reservations made for all special events may be cancelled up to 72 hours prior to that event. In the event of a no-show or cancellation after that time, you may be billed for the entire amount. Members who arrive at a special event without a reservation may be accommodated on a space available basis.

### 3.5 ANNUAL DINING MINIMUM

The Annual (calendar year) Dining Minimum applies to all members with improved property on Dataw Island and to members living in the Beaufort area who own property on Dataw Island. The minimum and charges that are applicable will be established periodically by the Board of Directors and published in the Dues & Fees Schedule distributed to members. Family dining minimums will apply for memberships with a member & spouse/significant other or with family members living in the home. Single minimums will apply for memberships where a single unmarried person without a significant other is living in the home. Members will be billed for their incurred charges monthly, and any minimum balance remaining as of December 31 will be billed to the member. Members must bill their dining charges to their Club member account in order for food and beverage charges to reduce minimum spending requirements. The minimum spending requirement will be prorated when a Resident Member joins the club and when a Resident Member resigns.

With the exception of bulk purchases, all food, alcoholic beverages (including wine), and nonalcoholic beverages will count towards meeting the minimum requirement. However, service charges and taxes do not count toward the minimum requirement.

### 3.6 CREDIT PRIVILEGES

All members are granted charging privileges to their account. All charges for food and beverage purchases in The Pub, The Dining Room and the Cotton Deli will be billed to the member's account, including those guest charges being paid by the member. Members shall sign all charge slips. Guests and non-members can pay by cash or check at the Deli. The Deli does not accept credit or debit cards.

### 3.7 ACCOUNT STATEMENT AND PAYMENT

Each member will receive a monthly statement of all dues, fees and other Club charges incurred on the account. Payments not made by the end of the month will be subject to a late charge on any delinquent balance. In the event that full payment of all dues, fees, assessments and charges is not made in a timely fashion thereafter, after due notice to the delinquent member, suspension of Club privileges, legal action and ultimately suspension from membership may result.

### 3.8 CLUB DINING FACILITY RULES

The following rules apply to all use of Club dining facilities by members and their guests:

1. Cell phone voice conversations are not permitted in dining and lounge facilities.

2. A service charge for food and beverage purchased in the Clubhouse is included on the invoice. A service charge is not added at the pool snack shop. Members may add a gratuity to the signed bill in the Clubhouse or pool snack shop if they wish.
3. Members desiring to use or sponsor the use of Club facilities for private purposes should contact the Special Events Manager. The sponsor member will be held responsible for full payment of services rendered by the Club.
4. Automobiles and golf carts may not park in the circular drive area at the entrance of the Clubhouse due to Fire Department regulations.

### 3.9 USE AND BOOKING OF THE CAROLINA BALLROOM ("BALLROOM") AND ALL OTHER CLUBHOUSE RENTAL VENUES ("VENUES")

1. ("Members"). Members may book the Ballroom and Venues without the room rental fees levied on non-Members when booked in accordance with the policies of this section.
2. Members and groups who place a minimum food or beverage bar order ("F&B Order") that partially compensates the Dataw Island Club for the costs of staffing, housekeeping and set-up may use the Ballroom and other Venues without additional fees.
3. The Ballroom may be divided into smaller meeting areas to accommodate smaller parties that wish to book an event. Members who book a Ballroom section shall not have authority nor discretion as it relates to any adjoining Ballroom section bookings. All rental bookings for all Ballroom and Venue functions will be reviewed in the context of these DIC Revised Rules and at the full discretion of the Dataw Island Events Manager ("In Accordance with DIC Revised Rules").
4. Groups wishing to utilize the Venues for events without an F&B Order may do so under the following conditions:
  - They are a DIOA or DIC committee meeting, or the meeting is deemed a civic function. Meetings that may be attended by all members/property owners are exempt from charges, In accordance with DIC Revised Rules, given that the DIOA or DIC would simply be billing and repaying itself.
  - Attendance must exceed 90 for any DIC Club or other activity groups to book the Ballroom for an event, and such event shall be in accordance with DIC Revised Rules. To forestall future conflicts and permit the Event Manager to secure any revenue producing booking, the integrity of bookings and the availability of the Ballroom or other Venues must be managed effectively. Therefore, every effort should be made to utilize smaller meeting rooms/board rooms or other complimentary Dataw meeting spaces. These Venues include: the Community Center, the Tabby Room, the Gazebo, the Cannery Library and the Pool Pavilion. The booking of these shall be in accordance with DIC Revised Rules and DIOA Rules and Regulations (Cannery Library and Gazebo).

- All clubs shall agree prior to booking any Venue to assist in the absorption of costs of staff salaries for room set-up, housekeeping, and other assistance, as stipulated in Management's Event Pricing Menu, the charges of which are inclusive of a share of the cost of staff. Meetings charges can be as simple as a modest per-chair fee to more elaborate set-up charges for tables and linens, non-alcoholic beverage service and audio/visual services, in accordance with DIC Revised Rules.
  - The Ballroom is often booked for revenue producing dinners, luncheons, breakfasts and weddings, as well as DIC social affairs and Celebration of Life gatherings. To avoid conflicts that deny the Club needed income or preclude the room's use by a grieving family and community, the Ballroom must be booked by an island club for any meeting no more than 90 days in advance, in accordance with DIC Revised Rules. Groups/clubs booking a Venue or Ballroom are encouraged to be courteous and flexible in rescheduling their event should a Celebration of Life or paid banquet be requested for their date.
5. No outside food or beverage may be brought into the Ballroom, under any circumstances, as this practice is prohibited in the Clubhouse. Rare exceptions may be granted by management for DIC Club-sponsored events.
  6. Anyone engaged in booking a Venue will, at least 30 days prior to the event, sign a Banquet Event Order ("BEO"), stipulating the nature of the event, timing, requested services, set up, menus and costs, and all other pertinent details in order for member expectations to be met, in accordance with DIC Revised Rules.
  7. The Ballroom is not a complimentary County meeting room or conference center. Rental fees apply to non-DIC members, groups, and nonprofit and civic organizations, regardless of whether that organization includes a member who lives on Dataw and always in accordance with DIC Revised Rules. To book the Ballroom using established, verified DIC privileges, the member must:
    - Be an official host of the event.
    - Must bill the entire event to his or her account.
    - Must be in attendance at the event.
    - Must be the point person, unless otherwise approved, and an active participant in the planning and execution of the requested event. No member may delegate, expressly or otherwise, the planning of any event in the Ballroom or other Venues to off-Island residents. Any member or planner for an event is subject to full verification. In the event full verification is not received, the event may, in accordance with DIC Revised Rules, be denied.
    - The exception to this rule may be a wedding or Celebration of Life for which prior approval must be requested of the Dataw Event Planner and receive approval in writing prior to any prior planning. We will not intentionally delay, due to the sensitive nature of such events, such

approval except when deemed appropriate by the Dataw Events Manager.

8. Club Members are limited to two Venue rentals a year. Additional rentals require approval by the DIC Board of Directors.
9. Members may host weddings of immediate family members only. Dataw resident privileges of complimentary rental use of the Ballroom or Venues are subject to the Event Planner's decision, in accordance with DIC Revised Rules. Immediate family is defined as Children, Stepchildren, siblings, grandchildren, great-grandchildren, nieces and nephews. 1
10. Intentional misrepresentations and the sharing of Membership numbers to allow an acquaintance, non-Dataw resident or others to avoid rental fees will result in a retroactive billing to the member's account. Further, this may occur after the event is held and deception becomes clear to Dataw staff or management.
11. In the event that such deception is detected — the verified, detected decision will be at the full discretion of Dataw Island Club management in accordance with DIC Revised Rules — full fees will be levied and additional fines may be applied to the Member's Club account. Fines and fees can be appealed to the DIC Board if the Member believes the event legitimately qualified for fee exemptions.
12. In accordance with DIC Revised Rules, Dataw Island Club management will have discretion to waive rental fees for charitable events, many of which result in future bookings for weddings and other social events by attendees impressed with Dataw facilities.
13. ALL HOSTS RESERVING A VENUE WILL BE REQUIRED TO SIGN A COPY OF THIS RULE TO INDICATE THEIR ACCEPTANCE OF THESE TERMS/FINES. THEY WILL BE GIVEN A COPY OF THEIR SIGNED DOCUMENT.

## 4. GOLF FACILITY

### 4.1 DRESSCODE

Proper attire is required at all times on the golf courses, driving ranges and practice areas. Members should inform their golfing guests of the club's golf dress code.

Privately owned golf carts must conform to safety and appearance standards required of Club-owned carts and may only seat two (2) persons for the purpose of play. Any departure from standard factory design is not permitted.

Use of member-owned carts on the golf course is subject to the completion of a Trail Agreement, acceptance of the terms and conditions thereof and payment of the appropriate fee. Only one trail fee is required per membership, but a trail fee sticker is required on all carts to show the trail fee has been paid. Proof of liability insurance with a minimum of \$100,000 in coverage is also required. All new or reconditioned carts to be used for golfing must be inspected by the Golf Shop for final trail approval. Trail Agreement forms and additional information are available through the Golf Shop.

No privately owned carts, for which a Trail Fee has not been paid, are permitted to be used on the course cart paths unless they have a golf package or paid guest fees, have checked in with the Pro Shop, are on the tee sheet and have been issued a red course access flag from the Pro Shop.

Golf Pay-to-Play Monthly & Rounds Package purchasers and guests are encouraged to use member-own, rules-compliant carts; however, club carts are available at no additional charge.

Privately owned carts, for which an Annual Trail Fee has been paid, can be used by the golfer or any of his/her designees. Guests playing golf will be charged a combined "greens and cart fee" whether they use a Club-owned cart or a privately-owned cart.

#### 4.5.2 CART LEASING

Annual golf cart leasing from the Club is available upon payment of an Annual Cart Leasing Fee. Leased carts will remain stored at the Club. Guests who accompany a member with a Cart Lease arrangement must pay a guest cart fee. Additional information as to golf cart leasing is available from the Golf Shop.

#### 4.6 CART PATH RULES

Drivers must observe the announced cart rules of the day based upon course playing conditions. Signs at the beginning of the fairway will indicate either "90 degrees" or "cart path only". 90 degrees means the cart must stay on the cart path until the first ball of the twosome riding in the cart is reached. At

that point, the cart should leave the path and go directly to the first ball at a 90-degree angle from the path. After that ball is played, the driver should proceed up the fairway to the next ball if it is a short distance away.

For longer distances between the balls or if both balls are on the green, the cart should return directly to the cart path at a 90-degree angle and proceed on the cart path to the next ball or to the green. There are white fairway markers on either side of the fairway as the golfer approaches the green. These white ball markers indicate that carts are to return to the cart path at this point unless they have a handicap flag.

All carts must remain on the cart paths on all par-three holes.

#### 4.6.1 HANDICAP FLAGS

Red numbered flags are available in the Golf Shop for those who have a temporary (or permanent) handicap that limits their ability to walk. To obtain a flag, a form must be completed and signed to document the disability and acknowledge understanding of the limitations that apply to use of the flag. The form is renewable. At the discretion of the Golf Shop, they may waive the requirement that the form be renewed. Upon expiration of the term of the limitation, the flag must be returned to the Golf Shop. Failure to return the flag could result in the loss of playing privileges.

The handicap flag must be displayed on the cart being used by the individual with the documented limitation (form on file in the Golf Shop). The cart may come to 15 feet from any edge of the green and/or bunkers. When leaving the green area, the cart must either go back to the beginning of the curbing or drive around to exit after the curbing. Carts must not drive over the tee or green-side curb. Carts may be used on Par 3s with same restrictions except for the following holes: Cotton Dike #5 and #16, and Morgan River #6 and #8.

The flag's use is acceptable for normal play days and when the course is posted as "Cart Paths Only". When play is "Cart Path Only" special care must be taken to avoid especially wet areas where cart traffic could cause damage to the turf. When the notice has been posted or sent via email that "Handicap Flags Cannot Be Used", all carts must remain on the cart paths. This situation arises when Golf Maintenance notifies the Golf Shop that due to heavy rains the golf course cannot support any cart traffic.

At the practice facilities (both ends of the range and the chipping and putting greens) all carts must stay on the paths or in designated parking areas at all times.

Operation of carts contrary to the above:

- A) 1st violation - verbal warning
- B) 2nd violation - written warning
- C) 3rd violation - loss of handicap flag for 30 days

#### 4.6.2 WALKING

Golfers on foot are permitted after 12:00 p.m. and must check in with the Golf Shop prior to play. Golfers on foot are permitted at any time when the course being played is designated "Cart Path Only" on 12 or more holes. The decision to allow walking is at the discretion of the Golf Shop.

However, under certain circumstances, such as some types maintenance work, tree removal, or chemical application that might bring undue risk to users, Maintenance will announce by e-mail that the course(s) are closed to recreational use.

Ladies' Day is each Thursday morning unless otherwise posted. Men's Day is each Tuesday morning unless otherwise posted.

buckets of balls for the use of eligible members who wish to practice after the range officially has closed.

Unless closed due to maintenance, weather, or other conditions, the practice range and green are open daily even if the Golf Shop is closed. Range balls are the property of the Club and are not to be taken from the driving range or practice green. Any member or guest found taking range balls, or using range balls on the golf course, may have his or her playing privileges suspended. Children 12 and under using the practice range or practice green must be accompanied by an adult member and be in compliance with the Dress Code.

#### 4.9 HOLE IN ONE PROGRAM

All Members maintaining a handicap at Dataw are automatically enrolled in the "Hole in One" program and are designated as participating members. Such members are periodically billed \$5.00 to maintain a Hole in One fund (the Fund) which supports a "Hole in One" celebrant to sponsor a Dataw Pub bar celebration with other participants in the program. Non-program participants who join the celebration are not to be paid for by the Fund but will be the individual's responsibility (with the exception of the celebrant's spouse or significant other). Beginning May 10, 2021 all players who have a hole-in-one and participate in the hole-in-one insurance program will be allowed a credit, not to exceed \$400, including tax and service charge, to spend on beverages at a party in the Pub (open to all participating members) and \$100 to spend in the Pro Shop however they choose.

Upon scoring a hole in one, the celebrant should report it to the Golf Shop. At that time, the celebrant has the following options:

1. The Hole in One flag is raised, and the Hole in One celebration commences as soon as the celebrant enters the Pub. This is the traditional celebration method so those playing with the celebrant and anyone happening to be in The Pub who is a Fund participant can share in the celebration.
2. The celebrant may choose to hold the celebration at a later date. The date must be within one year of the hole in one. The time and the date of the celebration will be communicated to all Fund participants via email from the Pro Shop. This provision accommodates Hole in One celebrations at times when The Pub is not open or when The Pub cannot accommodate the celebration due to conflicts.

This policy applies to a Hole in One scored by a participating member in a regular 9- or 18-hole round of golf and is attested by at least one witness. Shotgun events such as Men's/Ladies' Days are also eligible. If the round cannot be completed because of inclement weather, it will still be counted. If a round is

played when a member has “jumped on” (has not started on either hole #1 or #10) the Hole in One will not be counted.

In order to allow as many as possible eligible members to participate in the celebration, the drinks will be limited to house wine, beer and house brand liquor. In the case of a delayed celebration, the Pro Shop will notify Food and Beverage Staff regarding the scheduled time and date for the celebration. The celebration will start when the celebrant enters The Pub and authorizes the celebration to begin. It will last until the maximum credit is reached or the celebrant leaves The Pub. The celebrant has the option of extending the celebration at his or her expense.

The cost of engraving of his or her name on the Hole in One list will be taken from the Fund.

This policy supersedes in its entirety all previous DIC, DIGA and DWIGA Hole in One insurance policies.

#### 4.10 GOLF COURSE POND FISHING

#### 8.8 EVENTS

The Community Center is available to all DIC members and their guests. It is, by definition, a “community center” and therefore should reflect the interests of the whole community.

We ask that the groups using the CC for their events follow a few guidelines:

1. Decorations in the Multipurpose Room should be considered temporary and on display only for the duration of the event; they may be put up immediately prior and must be taken down immediately following the event by the event organizers.
2. No holes can be put in the walls and/or ceilings (ceiling hooks are available for use on the ceiling grid and lines may be hung from the light fixtures; weight of items being hung has to be considered.)
3. Decorations cannot be stapled, nailed, glued, chewing-gummed or taped to the walls and/or ceilings.
4. Advertising for DIC events can be placed in the lobby for up to two weeks prior but must be removed after the event. (Easels may not be removed from the building.) Artwork for sale may display a sales price but only during the special event.
5. Countertops are quartz; please clean up red wine stains immediately.
6. The ledges in the CC (lobby and hallways) will be available as a community art gallery for various events (ie the DIYC photography contest, Quilt show, VAC art events and other special shows, etc.) The ledges can be reserved for periods of time; long-standing events such as the VAC exhibits have priority. Ledges and cabinets are available for members, clubs, groups, etc. to reserve them for periods of time to display their items. Reservations for these areas (lobby, back hall by the Art and Multipurpose Room, Restroom hallway) can be made with the CC staff; the time duration of such exhibits is limited by the CC staff according to demand.
7. Trophies, awards and the like (generally no older than two years) may be displayed in the lobby with the permission from the Sports and Recreation Committee and CC management.
8. Please do not add to, move or remove items in the Community Center. (This includes magazines, knick-knacks, furniture, etc.) Suggestions should be directed to the Sports and Recreation Committee for their approval before making any changes.

## 9. FOOD AND BEVERAGE POLICY

The Dataw Island Club shall be the first point of contact for all food and beverage social events held on Club premises, to include the Clubhouse, Community Center, outdoor pool, croquet lawns, bocce courts, tennis facilities, and golf course.

The Club will make every attempt to work with Club members to meet individual requirements. If the Dataw Island Club cannot accommodate the member's needs, the General Manager will consider allowing other private arrangements.

Member-provided light snacks, soft drinks, and water for personal consumption, are permitted on the golf courses, croquet lawns, bocce courts, and tennis facilities and the outdoor pool. Members are encouraged to purchase these items from the Snack Bar when it is open.

No self-catering on Club premises is allowed when the Club is open, except at the Community Center with prior approval.

Members may bring their own food and beverages to the pool, tennis, bocce, and croquet venues when the snack bar is closed. Members are asked to consider Pub take-out when possible and convenient. Whether food is purchased or brought to the venue, members are responsible to thoroughly clean up afterwards.

### 9.1 CLUBHOUSE

No food or beverages are permitted in the Clubhouse by individuals or outside caterers. Health Department rulings regarding proper refrigeration and sanitation prohibit the removal of food from the premises by members or their guests with the only exceptions being wedding or special cakes or prepared or leftover take-out items packaged by the Club.

Alcoholic beverages normally may not be brought onto or removed from the Clubhouse or its premises at any time by Club members, their family members or guests. This does not apply to bottled wine purchased with take-out orders and sales as part of certain wine functions (Wine Extravaganza, Wine Dinners, etc.). All alcoholic beverages served or consumed at the Club shall be purchased from the Club with the following exception: Bottled champagne or wine may be brought in by members for hosted catered events or for private use in the dining room and a corkage fee will be applied. All laws applicable to the service of alcohol will be enforced. Persons under the age of twenty-one (21) are not permitted to order, buy or drink alcoholic beverages while on Club property.

### 9.2 POOL FACILITY

Pot-luck events are permitted in the outdoor pool pavilion after the Cotton Dike Deli is closed with prior reservation. No private catering will be permitted. Trash must be removed from the pool area so as not to attract animals.

### 9.3 TENNIS FACILITY

Dataw team members may supply snacks and beverages at the tennis facility after scheduled UTSA matches on Mondays. Members may supply light snacks, soft drinks and water for after match play during the competitive league season. All alcoholic beverages, except on Mondays, must be purchased from

#### 9.4 GOLF COURSE

Light snacks, soft drinks and water are allowed in individual golf carts; however, the Club encourages the use of the snack bar facility when it is open and it is in reasonable proximity to play. All alcoholic beverages, except on Mondays, must be purchased from the Club. Food and beverages for golfing events are to be provided by the Club and arranged through the Club Manager.

#### 9.5 COMMUNITY CENTER

No private catering will be permitted. Covered dish events will be permitted provided the member or group provides all food, beverages, and supplies.

### 10. USE OF CLUB FACILITIES FOR POLITICAL PURPOSES POLICY

The Club cannot sponsor or engage in fundraising activities for political purposes or participate in political campaigns on behalf of candidates for public office or in support of a political issue. The Club and its members should take care to avoid even the appearance of the Club engaging in political activity that could jeopardize the DIC's tax status and community reputation.

A member may host a political meeting at the Club provided:

1. The host agrees to cover the cost of the venue through a minimum food and beverage order, as set by management.
2. Any material provided as an invitation must clearly state the name of the host or the group hosting the event.
3. Attendance for the event must be by private invitation only.
4. The event cannot be open to the general public or advertised in the local newspaper or on social media.
5. For the purpose of the event, neither the host — nor anyone acting on behalf of or at the behest of the host — may use the Dataw Net, the Dataw website or use resident message boxes.
6. No political signs, flags, or any other political paraphernalia may be displayed on the exterior of any facility, in interior spaces not directly used by the host during the event or on any Club grounds.
7. The host signs an agreement with management to adhere to these stipulations and recognizes that violations may result in disciplinary actions, including but not limited to reprimands, fines and exclusion from

future DIC venue usage. (See DIC Rules and Regulations Sections 2.1 and 2.3)

Some examples of expressly prohibited activity would be, but are not limited to:

- Candidate receptions, forums, briefings or debates sponsored by the Dataw Island Club whether or not the event is held on Club property;
- Club sponsored candidate or party fundraisers, particularly if contributions are made payable to the Club or charged on a member account;

- Club contributions to trade associations that engage in political activity;
- Use of Club facilities as "campaign headquarters," as "phone banks," or other campaign activities intended to influence public opinion;
- Use of Club facilities for any function sponsored by Club Management or Club Staff that may be construed as an endorsement by the Dataw Island Club of any political candidate or party.

The Club will not engage in any action or event or cause that could be construed as political activity. Requests for use of DIC facilities by civic, government, or charitable organizations must be coordinated with the Special Events/Catering Director and the General Manager. Also refer to Section 1.2.4 of these Rules and Regulations.

The appropriateness of all events or programs using DIC facilities rests with the General Manager and/or the DIC Board. Determination of the feasibility and appropriateness of a particular event or program proposal includes, but is not limited to, an assessment of the following:

- (1) The extent to which the proposed program is related to any concurrently functioning activity or program on the Island;
- (2) The extent to which persons affiliated with the DIC community will participate in or attend the proposed program;
- (3) Evidence of responsibility on the part of the group sponsoring the proposed program, or of persons who are members of such a group program, or of persons who are members of such a group, or who will be participating in the program;
