

Dataw Island Quilters

Dataw Island Quilters meet the 2nd and 4th Wednesday of each month
at 10 am in the Arts and Crafts Room at the Community Center.

On the 2nd Wednesday of the month, we begin with a business meeting. The business meeting is usually followed by a program or workshop. The board plans programs that are of interest to quilters. After the program and meeting, we often go to the club for lunch. Sometimes we have all day workshops, and we bring lunch and stay into the afternoon. Our December meeting is a luncheon at the club. (You may be getting the message that lunch is just as important as fabric to the group!) On the 4th Wednesday of each month, we meet at the Community Center for informal quilting time and sharing of quilting techniques. The Arts and Crafts room is available from 10 am to 4 pm. Each year we usually take a road trip to local quilt shops or quilt shows in the area.

Annual membership is \$20.00 for any DIC member.
